CHAPTER 224

NAKABA SUZUKI

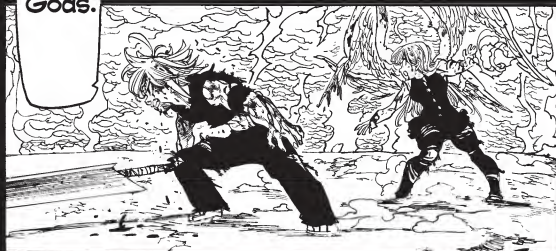

THE SEVEN DEADLY SINS

Two
Gods.

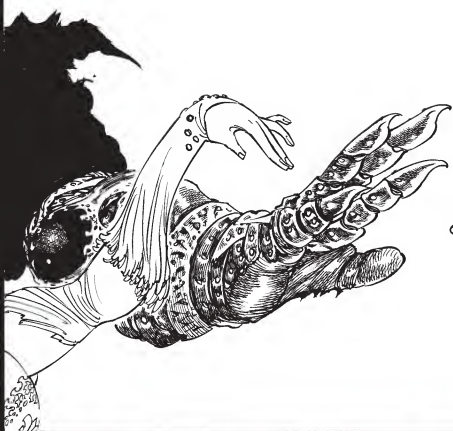

THE
REIGNING
LADY
OF THE
GODDESSES

THE
SUPREME
DEITY

THE
RULER
OF THE
DEMONS

THE
DEMON
LORD

*No attack
worked
against their
overwhelming
might.*

*And we
lost our
lives.*

*It could
have been
one day.
It could
have been
several.*

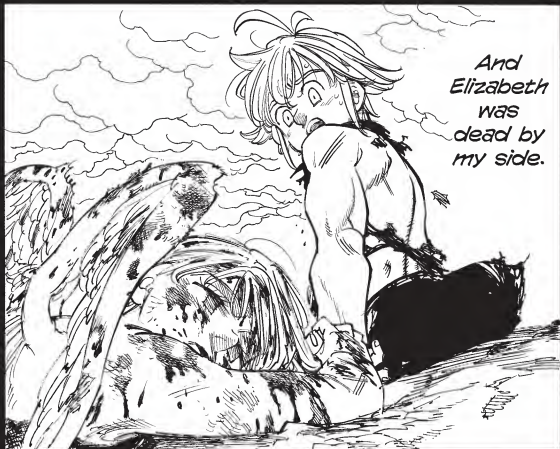

*I don't
know how
much
time
passed.*

*...Or at
least, we
should
have.*

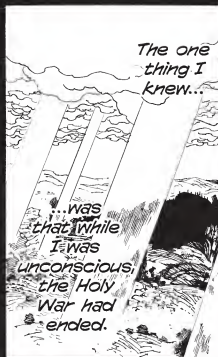

*I
awoke.*

*My
wounded
body
had fully
recovered.*

*And
Elizabeth
was
dead by
my side.*

*The one
thing I
knew...*

*...was
that while
I was
unconscious,
the Holy
War had
ended.*

*I had
no idea
what had
happened
to us.*

*All
I could do
was hold
Elizabeth's
dead body
to me
and cry.*

Granted,
I would
come to
find out
why later
on.

And that,
for no
known
reason,
I stopped
aging.

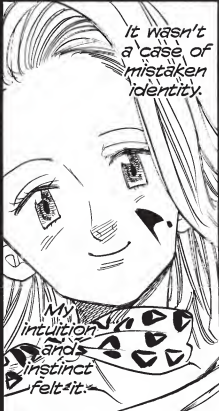

While alone
and aimlessly
roaming, a
Britannia
ravaged by
the scourge
of the Holy
War...

...we ran
into each
other
again.

It wasn't
a case of
mistaken
identity.

She didn't
have her
wings, but
there was
no mistake
about it.

My
intuition
and
instinct
felt it.

Though
it was
only
one-
sided.

Elizabeth was
supposed to
be dead and
yet there
she was.

...and
her
powers
awoke
at the
same
time.

One
day, her
right eye
under-
went a
change...

She
even
came
to
love
me.

Elizabeth
had been
born a barbar-
ian and
warmed
up to me
immedi-
ately.

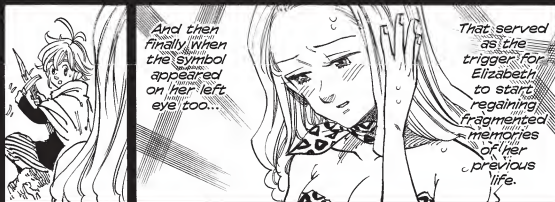

I was
convinced
that she
really
was the
reincarnation
of Elizabeth.

Both the
mark of the
Goddesses
and healing
powers
manifested
themselves.
The magic
of the
goddesses.

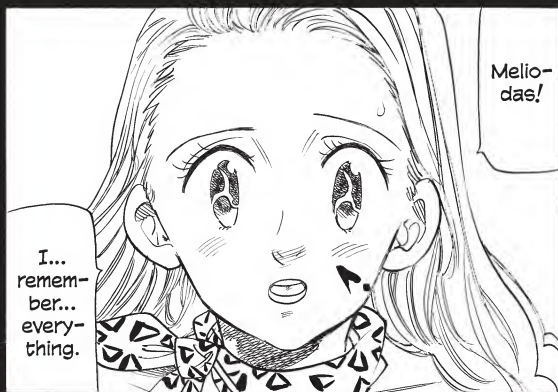

...I just
happily
related
the entire
story to
Elizabeth.

Her looks,
voice, and even
name were the
same as from
her previous
life, and thinking
about it now,
it's strange,
but...

And then
finally when
the symbol
appeared
on her left
eye too...

That served
as the
trigger for
Elizabeth
to start
regaining
fragmented
memories
of her
previous
life.

We've
been
cursed.

...
promise
you'll
break
this
curse
some
day!

No
matter
what
happens...
even if
I die
again...

But...just
what
kind of—

Cursed...?
By those
Gods...back
then?

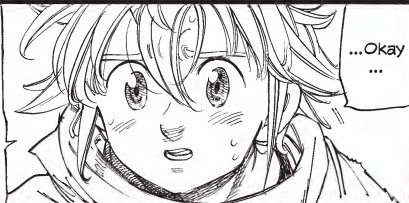

Swear
it!!

What're
you
talking
about?

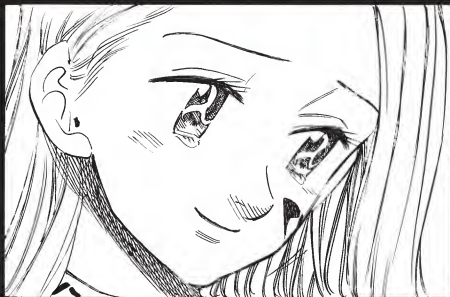

I'll tell you.
But first
I want
you to
promise me
something.

Even if...
you die...
I'll...keep
my promise
to you!

...Okay
...

Thanks.
Then I'll
tell you.

Three
days
later...

...
Elizabeth
died
before
my very
eyes.

...eternal
reincarna-
tion.

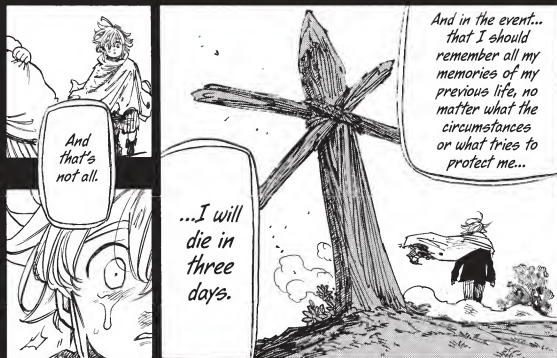

...is
one of
eternal
life and...

The curse put
onto us by your
father, the
Demon Lord, and
my mother, the
Supreme Deity...

I'll live short
lives as a
human. And
every time,
I'll lose all my
memories
of my
previous life.

You'll
never age
again, and
will always
come back
to life
even if
you die.

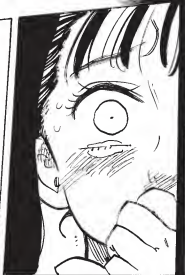

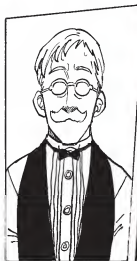

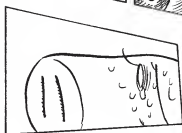

And
that's
not all.

...I will
die in
three
days.

And in the event...
that I should
remember all my
memories of my
previous life, no
matter what the
circumstances
or what tries to
protect me...

*Every time I'm
reborn, I will
always meet
and fall in
love with you.*

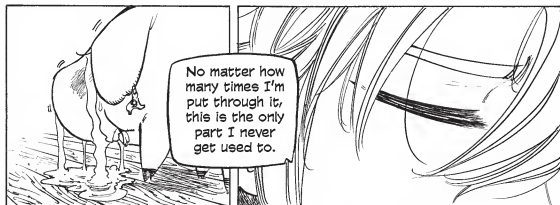

*And then lose
my life before
your very eyes.*

For the
106th...
I tended
to her in
her final
hours.

For the
3000
years
since
then, I've
come to
know 107
Elizabeths.

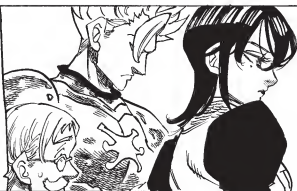

No matter how
many times I'm
put through it,
this is the only
part I never
get used to.

*Promise
you'll
break
this
curse
some
day!*

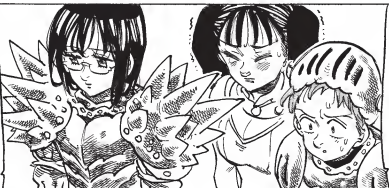

That's why
Elizabeth
made me
promise to
release me
from this
suffering.

For example... the power Zeldris borrowed from the Demon Lord.

To break the curse, I need the power of the Demon Lord and Supreme Deity...or at least an equivalent power.

...about The Ten Commandments' revival and the gathering of The Seven Deadly Sins.

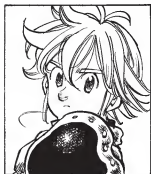

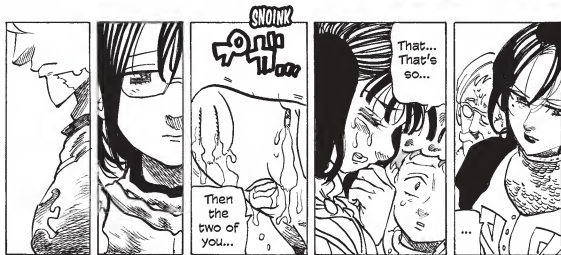

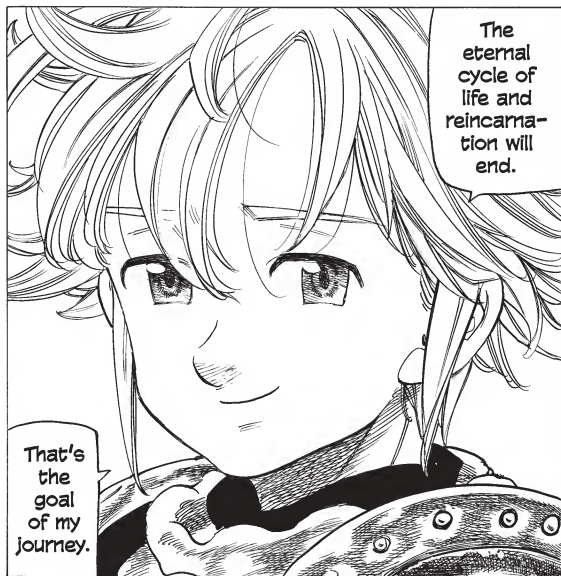

And now thanks to Baltra's prophecy I was able to learn...

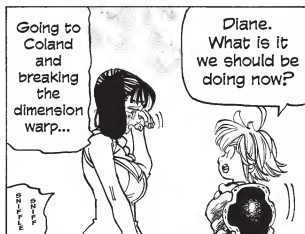

I'm sorry. I know I come off as having deceived you all...

Wait! if you break the curse... then what'll happen to you and Elizabeth, Captain?
